Entry Forms for the 2008 Cheshire & Challenge Cup Competitions

Please find enclosed the entry forms for this years Cheshire and Challenge cups. Please encourage your teams to enter, your support for this competition is always appreciated!

You can enter by email, fax or post, or even by phone if you wish, but could you please get your entries back to me as soon as possible, as we are aiming to run the competition earlier this year, to avoid the finals being played when the season has really finished. The closing date for the entries is **Thursday 31st January**.

I will be doing the draw on Saturday 2nd February – no later! If you could also add an email address where possible, I'll use email to get the draws to you. The approx. timings for the rounds are as follows:

Round 1 Between 3rd February – 29th February

Round 2 & Semi's Between 1st March – 29th March or 5th April

Finals Day Aiming at either 30th March or 6th April, but I need to check whether these dates clash with other Squash events so will confirm as soon as possible. Please call me to discuss if the finals date is critical to your entry!

Entry Criteria:

Ladies Cheshire Cup:

All clubs within the Cheshire Boundary may enter one Ladies team, whatever division that team is in. The players used on that team **do not** have to be eligible to play for Cheshire, however, they do have to be bona fida club players, and have to prove this by having played a minimum of 6 matches in any team representing their club in the Cheshire leagues during the current season. They must play the requisite number by the start of the competition, ie 1st February.

Mens Cheshire Cup:

All clubs within the Cheshire Boundary may enter one Mens team, whatever division that team is in, providing any player used on that team would also be eligible to play for Cheshire. This is generally held to be either residents of Cheshire, or those born in Cheshire, but excludes a player who plays for a different county.

Challenge Cup:

All clubs may enter as many teams in this competition as they wish. Eligibility for Cheshire is not an issue, but clubs are restricted to entering teams and players from below division 1 in the ladies leagues, and below divisions 1 & 2 in the men's leagues. Once a player has permanently moved up to a club's higher teams (ie played more than 6 matches in the top division(s)), they can no longer play in the Challenge Cup.

Both the Ladies events will be run with 3 players per team, the Mens events will be run with 5 players per team. Clubs are welcome to enter both competitions.

Timescales: Competitions will run from 3rd February to Finals day

Finals Day: To Be Confirmed

Method of Entry: **POST:** Address above. **FAX:** 01582 762490 **EMAIL:** Janetjakzn@aol.com

Deadline for Entries: **Thursday 31st January**

Please try and encourage your teams to enter either or both competitions, this is traditionally a good event to end the squash season, and the finals day is always well attended.

Any queries, please give me a call, and if you are not the team representative, please pass this on as quickly as you can.

Yours faithfully,
Janet Jackson
